

Summary Meeting 21 – 22 June, 2010

- A greater part of the meeting concerned funding and secretariat arrangements beyond the end of July. It was agreed that the pillar groups should get together before the next meeting to review the organisation's forward plans and discuss the administrative support required.
- There was a further 'wrap up' of the MayDay campaign, with acknowledgement that the planning for the 2011 event should take place earlier in the cycle.
- There was a discussion about the committee's role in advocacy, to persuade the Australian Government to sign the international protocols. The pillars agreed it could be an issue for the committee in the next 12 months and it was carried forward to the next meeting.
- The next pillar meeting will be in July, in Melbourne. The next general meeting will be in August.
